P2-059			19	10	1894	19/10/1894			Newton Abbot. Several pages about the amount of rain which fell and the damage it caused. Very brief mention twice about the sea. "...to keep back the sea with a broom" and "in consequence of the high tide the water as it came down could find no outlet. Lakes then formed behind Lower St. Paul's Road, covering several acres, and reaching as far as the banks of the railway"															The great floods at Newton Abbot and district. Reprint from the "East & South Devon Advertiser" November 17th, 1894		Newton Abbot	b	5.003		Newton Abbot Museum	not entirely sure the date here is correct, think it might be 14th Nov 1894 as there is another ref to dreadful rain then		South Hams	new date	text	y		
P2-060			13	11	1875	13/11/1875			Dawlish. "...the damage done to the channel for the Dawlish-Water stream alone, including the bridges, may probably amount to thousands of pounds..."																	Dawlish	b	5.063	The recent floods	Devon Record Office			South Hams	additional info	text	n		
P2-060			14	11	1894	14/11/1894			Newton Abbot. Lots of detail about rain and floods. Couple of mentions about the sea. "...she used her utmost endeavours to stem the rising tide, but it was of no use...the water swept under the back door and through the chinks in such a way that it soon covered her feet...the water rose pretty well two feet in her house, flooding scullery, kitchen and parlour"															The memorable floods in and around Newton Abbot, on 14th November, 1894	by Chas. H. Chandler of the Western Morning News	Newton Abbot	b	5.002		Newton Abbot Museum	Very detailed content about where was flooded and who was affected along with quotes from individuals		South Hams	new date	text	y		
P2-061			1	9	1883	1/9/1883			Dawlish. "...a very high tide...the spray from the waves flying over the carriages, occasionally hid them from view...Sunday morning's tide ran higher...some of the waves being at least twenty feet...the Gentleman's Bathing Cove, one company lost eight machines, the other seven..."																	Dawlish	b	5.064	The storm at Dawlish. Bathing machines wrecked	Devon Record Office			South Hams	additional info	text	y		
P2-062			31	1	1890	31/1/1890			Dawlish. "...there was a very heavy sea on Thursday morning, and the tide flowed quite an hour-and-a-half after the stated time of high water...the waves...rolled with great violence on to the signal box at the Railway Station, breaking some glass..."																		Dawlish	b	5.065	The gale	Devon Record Office			South Hams	additional info	text	y
